Customer Name: _____ Date: _____

Return Shipping Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ E-Mail: _____

Engine Manufacturer: _____ Year: _____

Engine Model: _____ Serial Number: _____

Special Instructions:

- Full Service of Top Feed Injector (Including Yamaha HPDI and Optimax Air/Direct) \$45 each
 - Full Service of Side Feed Injector \$55.00
- (Standard Top and Side Feed Injectors - Include Custom Report, New Filter/O-Rings/Crush Ring and Return Standard Freight)
- If we cannot repair the injector \$25 each - Includes Report and Return Standard Freight
 - Vapor Tanks, Fuel Pumps, Other System Components, (Once inspected, You will be notified with a custom Quote)
-
- Send the injector with the O-Rings, Filters and Seals in place.
 - Package the Injectors / Components Carefully as to not have fuel leak into shipment. Drain, dry and place each Part into an individual bag and mark with cylinder number. This will correspond with repair reports for clearer troubleshooting of the engine.
 - We will contact you upon completion of service regarding return shipping options and to arrange for payment.
 - Ship To:
Cobra Fuel Injection, Inc
